

English

In English this term, we are going to be exploring a new text, 'Storm' by Sam Usher'. We are going to be using this text to create an information piece of writing - something we haven't done yet which will be exciting!

We are also going to explore the story of 'Dick Whittington' and use the 'mighty writer' to help us retell the story.

RE

In Term 3 we begin learning about '**Gospel**'. Our big question will be 'What is the Good News that Jesus brings?' We will be thinking about who Jesus' good news was for as well as how Christians can show friendship, forgiveness and peace. The main parts of the Bible we will be exploring will be; Matthew, Luke, Mark and John.

Maths

This term we will be starting with our unit on shape, exploring 2D and 3D shapes. We will then progress onto place value within 20 and addition and subtraction within 20. Any help at home with recognition and writing of numbers to 20 would be great!

"Let your light shine..."

Woodchurch CE Primary School

Term 3 Rabbit Class

Learning Overview

PE

Our PE topics this term are hockey with a coach on **Monday** and tag rugby on **Wednesday**.

PSHE

This term, we are continuing with our 'keeping safe' unit. We will be thinking about how to keep ourselves safe both on and offline and will be learning about the emergency number, 999.

Connected Curriculum From Ice to Sunshine

This term, our Geography topic is 'From Ice to Sunshine'. Our learning question is 'What is it like in the coldest and hottest places on Earth?' We are going to have a come and learn for you to come and explore some different elements your child will learn about within this! This unit introduces hot and cold climates through sorting, discussion, mapping, stories, and creative activities. Children explore where climates are found, how animals and people adapt, appropriate clothing, and daily life

DT

Our topic this term is 'light up my picture'. Our learning question is 'how can we use light to bring our pictures to life?' We are going to be creating simple circuits that will run alongside our designs so that we can light our pictures up!

COME AND LEARN

Friday 9th January - 1:45-2:45pm
