

English

In English this term we will be exploring poetry.

We will begin by looking at Haikus and Cinquains, learning how poets use syllables, imagery and precise vocabulary before writing our own.

We will then move on to cultural poetry, thinking about how poets express identity and place as we create our own poems inspired by different cultures.

RE

This term we will be learning about Sikhism. We will be answering the question "What is important to Sikh people?" as we learn about what Sikhs believe and how this links to their daily life.

Maths

This term we will be developing our knowledge of the times tables and written methods for multiplication and division. We will then move on to measuring length and calculating perimeter.

"Let your light shine..."

Woodchurch CE Primary School

Term 3 Blackbird Class Learning Overview

PE

This term we will be learning Hockey and Netball.

PSHE

This term we will be revisiting healthy relationships and keeping safe. We will be talking about how we treat others and what to do in emergency situations.

Connected Curriculum

A European Adventure

The main part of this project is to learn about the geography of Europe.

We will explore different European countries, find out what languages are spoken there, and discover some of the continent's most famous landmarks. We will learn how Europe is organised, compare places, and begin to understand what makes each country unique.

In DT we will be investigating and making European dishes.

In Science, we will be learning all about rocks, fossils and soils.
