Dear Parents and Carers,

First of all, I would like to thank all our families for their continued support and patience over the past couple of days. It has been wonderful to see the children return to school full of energy and enthusiasm, showing just how resilient they are. We are incredibly proud of them.

We truly value the strong partnership we have with our families and appreciate the ongoing support you provide. Working together is key to ensuring the best outcomes for our children. With this in mind, we have re-shared our Behaviour Policy in this newsletter for your reference and thank you for your continued understanding and cooperation. The full Behaviour Policy, along with all other school policies, can also be found on our website here:

<https://www.woodchurch.kent.sch.uk/page/?title=Policies&pid=17>

If you would like to support learning in school, we are always grateful for volunteers to help with reading. In addition, if you have a job, role, or personal experience that could enrich the children's learning, we would love to welcome you into school to talk to classes—please do get in touch with us.

We have lots of exciting themed events coming up, including Safer Internet Day, NSPCC Number Day, and Book Week. Mrs De-Keyzer has worked incredibly hard alongside staff to plan a range of engaging activities, including an author visit, for what is always one of our favourite weeks of the year. You can read more about all of these events later in this newsletter.

Kind Regards,

Mrs Ridley

# Safer Internet Day 2026 | Tuesday 10 February

Coordinated by the UK Safer Internet Centre

[saferinternetday.org.uk](https://saferinternetday.org.uk)

Safer Internet Day – Tuesday 10th February

On Tuesday 10th February, we will be taking part in **Safer Internet Day**, a national event that promotes staying safe, respectful, and responsible when using the internet and digital technology.

Throughout the day, children will take part in **age-appropriate activities** designed to help them understand how to use the internet safely, make good choices online, and know where to go for help if something worries them.

These activities will be tailored to each year group and may include discussions, stories, videos, and creative tasks.

The day will begin with a whole-school worship introducing this year's theme and explaining what Safer Internet Day is all about. Children will also be encouraged to share their learning, and some classes may post activities or outcomes on their class Dojo pages.

Safer Internet Day is a great opportunity to start conversations at home too. We encourage families to talk with their children about how they use the internet and what they can do to stay safe online.

Thank you for your continued support.

## Attendance

Here are the latest attendance figures for school (year to date)

EYFS	1	2	3	4	5	6
91.9%	94.4%	93.3%	95.5%	93.9%	93.4%	95.2%

Whole school attendance: 94%

The DfE has asked schools to share the following guidance with families. Please do ensure you have a read through as it might help you in the future:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

## What we encourage...

We believe it is vitally important for children to attend school regularly and punctually. This will give them the best opportunity to progress and achieve their full potential. Good attendance and punctuality will also encourage children to become responsible and resilient individuals, which will serve them well in their future working lives.

Every child, in line with the Government's expectations, is expected to maintain a high level of attendance (at least 95%). We hope that you appreciate how crucial good school attendance is to your child's progress, achievement and chances in life and we look forward to working with you to ensure that your child's attendance is the very best it can be.

## Benefits of good school attendance

Children with good attendance:

- Feel happier and gain in confidence
- Achieve more academically and keep up with work more easily
- Develop well socially and find it easier to make and keep friends
- Establish good educational habits and routines at an early age
- Are able to make a positive contribution to school life in general
- Are much more settled into school life.
- LEARN!

All of these are important life skills for your child

# What do we expect from children and adults?

# Our Behaviour Policy

"Let your light shine..."

Woodchurch CE Primary School

The best results in terms of promoting positive behaviour arise from emphasising potential, rewarding success and giving praise for effort and achievement. We also know it is important to strike a balance between recognising positive behaviour and having appropriate consequences which are seen by all to be fair and applied consistently when standards are not maintained. Through positive role-modelling, by adults who care for them in school and through well developed planned and stimulating learning opportunities, we believe that children can accept learning challenges and develop self-discipline. It is the responsibility of parents and carers to work with the school in helping to foster positive attitudes and behaviour.

## How do we reward children?

Every child can earn 2 ClassDojo points per session - 10 per day PLUS extra points if they reach the silver or gold part of the class chart.

## Conversations with you

Verbal praise

Special Awards

## What happens when children don't make the right choices?

1. Children are given a non-verbal or verbal reminder of what they should be doing.

2. An offer of support is made to help them change their behaviour

3. If a child chooses not change their behaviour, a two minute timeout is given and a Dojo point is lost.

4. If a child continues to choose to not to change their behaviour then a further 5 minute time out is given, both Dojo points for the session are lost and an adult will speak with them. Parents will also be informed and a record will be made.

Should there be incidents of physical violence, verbal abuse or damage to property, then a member of the Senior Leadership Team will be involved immediately. Serious assault, racist or homophobic remarks, bullying or leaving school grounds may result in an internal exclusion or suspension.

## KS1 Competition

### Book Doors!

Create a door into a story...

Children should design a door that opens into a story of their choice. What might be behind the door? It could lead to a magical place, an exciting adventure, or a favourite character's world. The book does not need to be named. Entries must be in school on World Book Day. Creativity is the Key!

### The Woodchurch Book SWAP! Fancy reading something new?

Bring any books you'd like to swap for others to school on Thursday 5th March and take home something new!

## World Book Day!

We are excited to celebrate World Book Day as part of our reading week, 'Books Take Us Everywhere.' Children will enjoy sharing stories, taking part in D.E.A.R time, dressing as a word, and celebrating a love of reading together. We look forward to a joyful day filled with books, imagination and fun!

Your competition entry should show how books take us somewhere else. There's no right or wrong. Surprise us!

## KS2 Competition

### One Page, One Moment!

Choose one powerful moment from a book and capture it on one page using an illustration, a short quote, a sentence or re-writing that part in your own words. Bring your entry to school on World Book Day. One winner will be chosen from each KS2 class.

Dress as a word today!  
What word will you dress as this year?

  
**Thank  
You!**

Earlier in the month we held a Sit & Shine event to remember and celebrate the life of our much-loved colleague, Mrs Priest.  
We raised an amazing £876!!  
Donations went to the Pilgrims Hospice.  
Thank you all for your support and generosity :)

We would like to invite EYFS and Year 1 parents to a coffee afternoon taking place on Monday 9th February, at 2:20pm before pick up.

Please join us for coffee, tea, and cake, and a chance to relax and chat with other parents. Younger children are very welcome to come along if needed.

We will be joined by two speech and language therapists, who will be available to talk about the importance of play, how to extend children's play, and ways to support language development. This will also be a great opportunity to ask questions and have informal conversations with the therapists.

We hope you can join us for what promises to be a friendly and informative morning.

We look forward to seeing you there :)
