

English

In English this term, we are firstly continuing with the story 'Dear Earth' by Isabel Otter and we will be using the Mighty Writer to help us write a set of instructions on how we can protect our planet.

We will then be moving on to the text 'What we'll build' by Oliver Jeffers. We are going to be focusing on narrative writing linked to this book.

RE

In Term 5, we are exploring Judasim. Our big question is 'who is Jewish and what do they believe?' We will be exploring what is special to Jewish people, important objects like the Mezuzah and the importance of Shabbat.

Maths

This term we are focusing on place value within 50. Any additional practise at home with numbers to 50 would be very beneficial! We will then be moving on to mass and volume.

"Let your light shine..."

Woodchurch CE Primary School

Term 5 Rabbit Class

Learning Overview

PE

Our PE topics this term are Tennis (with a tennis coach) on **Tuesday** and tri-golf on **Friday**.

PSHE

This term, we are starting our unit on 'wellbeing'. Within this unit, we are going to be thinking about different feelings and emotions and how we can show empathy.

Connected Curriculum The UK

This term, children will be learning about the United Kingdom and what makes it special. They will explore the four countries that make up the UK, learn about their flags and capital cities, and begin to use maps to locate key places. Through fun activities, pupils will discover famous landmarks and compare how the countries are similar and different. At the end of the unit, children will bring their learning together by creating their own mini book to showcase what they know about the UK.

Year 1 come and learn:

19th May - 1:30-2:45

Join us in the classroom for a fun, hands-on experience where you and your child will work together to **create your very own bug hotel** . This is a wonderful opportunity to spend quality time together while learning about the tiny creatures that help our environment thrive.
