

## English

This half term in English, our writing will link to our History topic, *History Makers*. The children will learn about Neil Armstrong and Mary Anning, using their lives to inspire their writing. We will begin by writing a recount of the moon landing, focusing on sequencing events, time conjunctions, and past tense. Later, the children will write a first-person biography, taking on the role of one of these significant figures.

Throughout the unit, we will focus on building clear sentences, accurate punctuation, and developing confidence in writing.

## RE

During Terms 5 and 6, our RE learning will focus on the question:

**'Who is a Muslim and what do they believe?'** Throughout the unit, children will be encouraged to reflect on similarities and differences between religions, ask thoughtful questions, and develop respect for people of different faiths and beliefs.

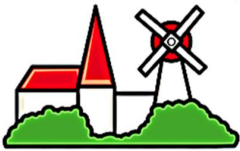

## Maths

This term we will continue learning on Multiplication and Division before moving onto measure.

"Let your light shine..."

Woodchurch CE Primary School

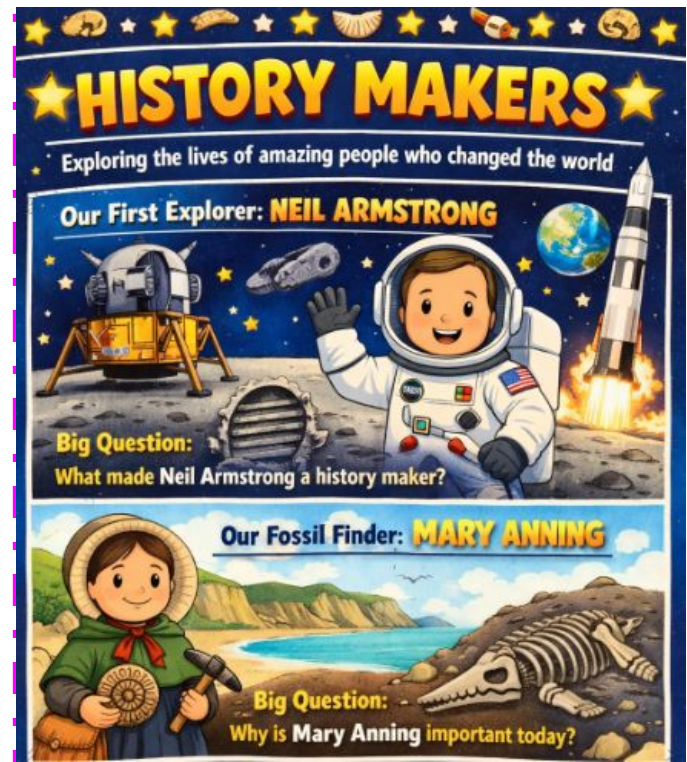

## Term 5

### Woodpecker Class Learning Overview

## PE

In PE, we will have a tennis coach on Tuesdays and on Fridays we will be doing Infant Agility with Mrs Wright.

As part of our Term 5 PSHE curriculum, we will be focusing on Relationships and Sex Education (RSE). This learning will support children in understanding healthy relationships, personal boundaries, and how to keep themselves safe, both in the real world and online.

This term, our learning will be history-based as we explore the lives of significant individuals from the past. We will focus on Mary Anning and Neil Armstrong, finding out why they are important figures in History. Through our enquiry, we will investigate what they discovered, how they changed the world, and why we still remember them today.

## Science

In Science, we will be continuing learning with Mrs Wright on Habitats and then we will move onto plants.
