

English

In English this term we will be using the texts "There's a rang-tan in my bedroom" and "The Great Kapok Tree"

We will begin focusing our writing on non-chronological reports,, exploring how they are structured and how to engage the reader. We will practise using paragraphs, 4 types of sentence, conjunctions, and adverbs.

We will then move on to focus on persuasive posters all about saving the rainforest.

Maths

We will start this term learning about money, focusing on adding, subtracting and finding change. We will then move on to time, learning about five minute and minute intervals, digital time and calculating durations. We will finish with learning all about shape and recapping our learning from the year.

"Let your light shine..."

Woodchurch CE Primary School

Term 6 Blackbird Class Learning Overview

RE

This term we will be learning about Humanism. We will be learning what Humanists believe and what they value as well as considering what amazing things humans have achieved when looking after each other and the earth.

PE

This term we will be learning Athletics and Rounders

PSHE

This term we will be learning about body differences and personal space as part of our unit on relationship and sex education (RSE).

Connected Curriculum

Rainforests

This term's topic is based on the fascinating world of rainforests and why they are so important to our planet. We will learn about the different layers of the rainforest, the plants, animals, and people who live there, and the vital role rainforests play in protecting the Earth.

In Science, we will be learning about forces and magnets, including friction and magnetism, through a range of exciting investigations.

In Art, we will explore the work of artist Sarah Boden as part of our "Rainforest Impressions" project. We will use a variety of printing techniques to create artwork inspired by the textures, patterns, and layers of the rainforest.
