

## English

In English this term, we will be using the video bubbles to inspire some writing. We will also be learning about the different sentence types and how to use apostrophes correctly. We will also use a video clip as a stimulus for writing called 'Zahra' which is linked to learning about other cultures.

I am excited to share that our main writing driver will be the book the storm whale by Benji Davies and our reading for pleasure this term is Captain Cook.

## RE

In term 5 and 6 we will be looking at a world faith which is Islam. Our big question is:

**Who is Muslim and what do they believe?**

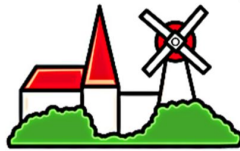

## Maths

In maths this term, we will be learning about fractions, time and statistics. Please practise time telling to the hour, half past and quarter to and past the hour at home to support school.

"Let your light shine..."

Woodchurch CE Primary School

## **Term 6 Woodpecker Class Learning Overview**

## PE

This term we will begin learning Tri-Golf and team theme will teach rounders.

## PSHE

In PSHE this term we will be discussing respect, self worth & resilience. We are going to be learning about growing up throughout the term too.

## Connected Curriculum

### Coastline

This term, our new topic is **Coastline**. The children will explore the features of the seaside and learn about the physical and human geography of coastal areas. They will investigate how coastlines are shaped by the sea, compare different seaside locations, and learn about the importance of keeping our beaches and oceans clean. Through geography, history, science, art and writing opportunities, the children will develop their curiosity about the world around them and discover what makes our coastlines such special places.

### **Coastline**

*What happens when the land meets the sea?*
