

English

In Term 1, we are going to begin by focusing on phonics through systematic daily sessions, focusing on letter sounds and early blending for reading. Children develop their listening and speaking skills through songs, rhymes, and stories, building vocabulary and comprehension. They also explore mark-making and begin to form letters, learning to write their names.

RE

In Term 1 we begin learning about **God**. Our big question for this unit is 'Why is God so important to Christians?'

Maths

This term we will be focusing on Match, Sort and Compare. We will be using songs, objects, and stories to explore matching and sorting at a deeper level!

"Let your light shine..."

Woodchurch CE Primary School

Term 1 Hedgehog Class Learning Overview

PE

PE sessions will take place on a Tuesday. We are working on stability and movement. Please send your child in wearing their PE kit.

PSHE

Our unit this term is 'Relationships'. We will be exploring how to be a good friend and be kind to each other!

Connected Curriculum

All About Me!

Our History unit this term is 'All about me', a topic that helps children learn about themselves and their place in the world. Through fun, engaging activities, children explore their names, families, likes and dislikes. This topic supports personal, social, and emotional development by building self-awareness, confidence, and a sense of belonging.

Forest School

We do not have Forest School this term. However, please continue to send in Wellies as we will be using our outside area!
