Dear Parents and Carers,

Our last two weeks got off to a wonderful start with our Harvest Service, which was a lovely celebration of the fantastic community we have here at Woodchurch. The church was packed, demonstrating the support and togetherness that make our school so special. The children did a brilliant job of sharing the message of Harvest in a variety of ways, showing great confidence, enthusiasm and thoughtfulness. A special thank you goes to our Head Boy, Head Girl and Worship Leads for leading the service so confidently and helping to make it such a special occasion.

We have also been celebrating our love of books, reading and poetry! On National Poetry Day, classes explored and shared a wonderful variety of poetry, coming together at the end of the day for a celebration of their work. It was fantastic to see the children enjoying words, expressing themselves creatively and sharing their talents with others. The following day, we were delighted to welcome Phil Henry, author, who shared his books with us and led engaging writing sessions in which the children enthusiastically took part. We hope his visit has inspired some budding young authors to put pen to paper and begin creating stories of their own!

It has been lovely to welcome parents and carers into school to share how well the children have settled into their new classes. These opportunities are so valuable, allowing us to celebrate successes together, recognise the progress already being made and discuss the next steps in each child's learning journey. We are also delighted to be welcoming lots of families who are considering Woodchurch for their children starting in September 2027. We are proud to share what makes our school so special and to open our classroom doors, giving prospective families the opportunity to see learning in action across the school.

Finally, our attendance for this term is looking good, and we would like to thank families for their continued support in helping children attend school regularly. Just a gentle reminder that every day really does count! Being in school every day gives children the best opportunities to learn, build friendships and make progress. Success in school starts with attendance, and together we can ensure every child makes the most of the opportunities available to them.

Thank you, as always, for your continued support in making Woodchurch such a wonderful place to learn and flourish.

Best Wishes,

Mrs Ridley

WHAT WE ENCOURAGE...

We believe it is vitally important for children to attend school regularly and punctually. This will give them the best opportunity to progress and achieve their full potential. Good attendance and punctuality will also encourage children to become responsible and resilient individuals, which will serve them well in their future working lives.

Every child, in line with the Government's expectations, is expected to maintain a high level of attendance (at least 95%). We hope that you appreciate how crucial good school attendance is to your child's progress, achievement and chances in life and we look forward to working with you to ensure that your child's attendance is the very best it can be.

BENEFITS OF GOOD SCHOOL ATTENDANCE

Children with good attendance:

- Feel happier and gain in confidence
- Achieve more academically and keep up with work more easily
- Develop well socially and find it easier to make and keep friends
- Establish good educational habits and routines at an early age
- Are able to make a positive contribution to school life in general
- Are much more settled into school life
- LEARN!

All of these are important life skills for your child

Helping Your Child at Home

Working together for success!

Small steps... Big progress!

At Woodchurch, we know that the partnership between home and school is vital in helping every child reach their full potential. Little and often can make a real difference to your child's confidence, knowledge and progress. Here are some simple ways you can support learning at home.

English – Reading, Spelling and Vocabulary

Reading is key!

We encourage all children to read to an adult **for at least 10 minutes every evening.** This is especially important in the Early Years, when children are first learning to read, as regular practice and repetition help build fluency and confidence.

Reading to your child is just as important!

Sharing stories and books helps children to:

- Develop comprehension by discussing characters, events and predicting what might happen next.
- Build vocabulary and language by exploring new words and their meanings.
- Develop empathy by thinking about how characters feel.
- Become better spellers by seeing words and spelling patterns regularly.
- Develop creativity and writing skills by discovering new ideas, vocabulary and story structures.

Spelling Shed

Spelling:

Support your child with their weekly spellings using the sheets provided or our online platform, **Spelling Shed.**

Little and often is best, so try practising words through games, writing activities or quick spelling quizzes.

Vocabulary:

Use your child's **knowledge organiser** to **talk about the topics they are learning in class.**

Chat over dinner, quiz each other on key facts or explore books and websites together.

These conversations help children deepen their understanding and confidently use new vocabulary.

Helping Your Child at Home

1 2 3 Maths – Building Confidence with Numbers

Small steps... Big progress!

Times Tables Rock Stars (TTRS):

Encourage your child to practise their times tables regularly. Secure knowledge of multiplication facts helps children become more confident and fluent mathematicians.

6×7 = 42

8×9 = 72

12×6 = 72

Practise • Learn • Be confident!

Topmarks Daily 10:

This free online resource is fantastic for children in Years 1–6 and helps develop mental maths skills, including addition, subtraction, times tables, doubles, place value and partitioning.

- Addition
- Subtraction
- Times Tables
- Doubles
- Place Value
- Partitioning

Visit: **Topmarks Daily 10**
https://www.topmarks.co.uk/maths-games/daily10

Choose the stage that matches your child's year group. If they find it tricky, start at a lower level and gradually work upwards as their confidence grows.

Strong foundational number skills help children tackle more challenging maths in the future.

Together, We Can Make a Difference!

By working together, we can give our children the strongest possible foundations for future success. Thank you for supporting your child's learning at home.

If you have any questions or would like advice on supporting your child, please speak to their class teacher. We are always happy to help!

If it has not been possible to offer your child a place in your preferred school, you have the right to appeal. You can also add their name to the school's waiting list.

Moving house during the application window will likely complicate your application and we therefore advise you to pay special attention to key dates in the admissions process. KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes. If you are moving, please email the team on one of the email addresses below for advice.

Our Behaviour Policy

"Let your light shine..."

Woodchurch CE Primary School

The best results in terms of promoting positive behaviour arise from emphasising potential, rewarding success and giving praise for effort and achievement. We also know it is important to strike a balance between recognising positive behaviour and having appropriate consequences which are seen by all to be fair and applied consistently and when standards are not maintained. Through positive role-modelling, by adults who care for them in school and through well developed planned and stimulating learning opportunities, we believe that children can accept learning challenges and develop self-discipline. It is the responsibility of parents and carers to work with the school in helping to foster positive attitudes and behaviour.

What do we expect from children and adults?

THE WOODCHURCH WAY

- LOVE OUR SCHOOL
- RESPECT YOURSELF AND OTHERS
- ALWAYS DO YOUR BEST AND NEVER GIVE UP
- 1 FOLLOW ONE VOICE
- LISTEN TO EVERYONE
- KEEP YOURSELF AND OTHERS SAFE
- BE KIND AND POLITE
- BE HONEST
- WALK QUIETLY AND SENSIBLY

How do we reward children?

Every child can earn 2 ClassDojo points per session - 10 per day PLUS extra points if they reach the silver or gold part of the class chart.

Conversations with you

Verbal praise

Special Awards

What happens when children don't make the right choices?

1. Children are given a non-verbal or verbal reminder of what they should be doing.
2. An offer of support is made to help them change their behaviour
3. If a child chooses not change their behaviour, a two minute timeout is given and a Dojo point is lost.
4. If a child continues to choose to not to change their behaviour then a further 5 minute time out is given, both Dojo points for the session are lost and an adult will speak with them. Parents will also be informed and a record will be made.

Should there be incidents of physical violence, verbal abuse or damage to property, then a member of the Senior Leadership Team will be involved immediately.
Serious assault, racist or homophobic remarks,bullying or leaving school grounds may result in an internal exclusion or suspension.
