

English

In English this term, we will be starting with writing an instructional text, based on our class text "How to Wash a Woolly Mammoth".

Our class text will then change to "Stone Age Boy". We will use this text to write a character description focusing on expanded noun phrases and prepositions.

After that, we will move on to writing setting descriptions using the five senses to describe and adverbs to improve our writing.

Through all of this we will be developing our use of a range of sentence openers.

RE

In Term 1 we begin learning about People of the God. We will think about what it is like to follow God, making links between the story of Noah and how we live in school and the wider world.

Maths

This term we will be learning about the basic underpinning of number by mastering place value skills within 1000. We will be learning how to partition numbers up to 1000. We will then begin to look at addition and subtraction of numbers in the 1s, 10s and 100s.

"Let your light shine..."

Woodchurch CE Primary School

Term 2 Blackbird Class Learning Overview

PE

This term we will have a cricket coach teaching our cricket unit. We will also be completing our multi-skills unit

PSHE

This term's unit is "Relationships" which will focus on healthy friendships and who we can talk to.

Connected Curriculum

Stones to Swords

This project focuses on prehistory, where we will delve into how people lived during the Stone Age, Bronze Age and Iron age. The children will learn the timelines of each period as well as looking at some fascinating artefacts and archaeological studies.

We will also be completing our DT unit on "Prehistoric Structures", where we will investigate prehistoric living quarters and replicate this using junk modelling.
