

## English

In English this term, our focus text will be *A Hundred Million Francs*. We will be recapping important grammar skills, including punctuation, conjunctions, and moving between past and present tense. The children will also have the exciting opportunity to explore narrative writing by creating their own versions of the story, adapting and rewriting the ending in imaginative ways.

## RE

In Term 1, we will be learning about **Creation**. We will be answering our big question – What do Christians learn from the Creation story.

## Maths

This term in Year 4, we will be learning about place value. We will explore numbers up to 10,000 and practise reading and writing them carefully. We will use place value charts to help us see how each digit has its own special value. We will also learn how to order and compare numbers, round them to the nearest 10, 100 and 1,000, and try different ways of partitioning.

“Let your light shine...”

Woodchurch CE Primary School

## **Term 1 Fox Class**

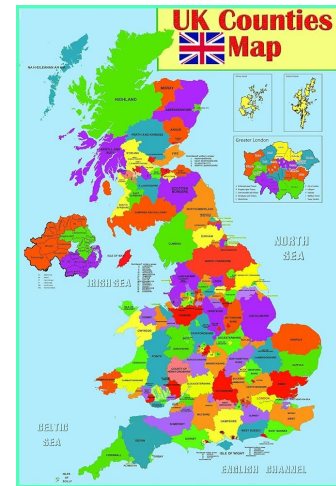

### Learning Overview

## PE

This term our P.E lessons are on Thursdays and Fridays. We will focus on football and Multisports. Team theme will be leading our football unit.

## PSHE

Our unit this term will be exploring Relationships. We will be learning about diversity, discrimination, our community and healthy friendships.

## Connected Curriculum

### Counties & Cities - Mapping the UK

This term in Geography, we will be exploring the question “*How are the UK’s counties and cities organised, and what makes them important and unique?*”

*We will be using Maps to identify UK counties and cities, finding differences between a city and a county and researching about our county of Kent.*

In Science we will be grouping and classifying living things. This will include both animals and plants.
